The History

With the oldest part of the house dating back to 1485, Caswell House and its grounds have a real story to tell.

A rich tapestry of history, Caswell House has been home to the Matthews family for over six generations.

Lovingly renovated and cared for, the Caswell estate is comprised of 16th century Cotswold stone barns & cottages, a magnificent moat and glorious walled gardens and courtyards.

The Team

We may be a little biased, but we believe that Caswell House is a pretty special place to be!

However, nothing would be possible without the dedication and passion of our fabulous team.

In addition to our beautiful setting and perfect location, the incredible team make it all shine, sprinkling their magic wherever they go.

From the events team to grounds & gardens, housekeeping to bar, the entire staff here at Caswell work incredibly hard to ensure everyone that visits us has a fabulous experience.

With 15 years' experience in hosting unique celebrations, our favourite thing to do is to look after you!
